Pastor and Parents:

We would like to invite your teens to participate in the 2026 Enlisted to Endure believer's boot camp. To be held Monday, July 27th through Saturday, August 1st at Las Vegas, New Mexico. The purpose of the camp is to bring our teens to the saving knowledge of Jesus Christ, get them filled with the Holy Ghost and to prepare them to live for God in the coming school year and into their adult lives.

All of our drill instructors are CFM pastors with past military service or are members in good standing in a Fellowship church. We use a mixture of discipline, competition and church services to reach our teens with the gospel and to stir them to answer the call of God to preach the gospel. Pastor Roman Gutierrez of McAllen, TX will be our main speaker. What we charge for campers and counselors to participate is based on what it costs us to put on the camp. Our participation fee for this year will remain unchanged from last year.

The cost per camper is \$500. To participate go to enlistedtoendure.org to download the health release form and the what-to-bring list. You will be able to **pay in full** through the website. Make sure that the name of your teen and your pastor are clearly indicated. Have the completed form signed and notarized and then **email** a clear copy to enlistedtoendure@gmail.com.

The age limits are ages 13 to 18. The teen must turn 13 by August 31, 2026 to be eligible. Full participation is required. If your teen is unable to participate fully because of physical injury or other limitations please have him or her wait until they are able to fully participate before they apply.

Good counselors are critical. A counselor must download and complete the counselor form and what-to-bring list and pay the \$300 cost through the website. Please email a copy of the completed form to enlistedtoendure@gmail.com. I will personally approve each new counselor after talking to his or her pastor.

I can be contacted directly at 505-718-8702 or at rayrubi@gmail.com if you have any questions. Please pass along this letter to any interested pastor or parent.

Sincerely;

Ray Rubi
